

# 5 Steps to Getting Leader Buy-in for Your Onboarding Program

- 1 Assess the current state of your onboarding program by conducting a comprehensive audit.
- 2 Discover pain points among new employees & stakeholders.
- 3 Find a link between the your areas of opportunity & tangible business results.
- 4 Compile your findings into a professional business case, focusing on the WHY, not the HOW.
- 5 Listen to your leaders & be receptive to their feedback.
